INSTRUCTIONS FOR ACCESSING SKYPE MEETINGS FOR NEW USERS

Smartphone User: If you plan to view the meeting on a smartphone, access your preferred app store to download “**Skype for Business**” or the regular “**Skype**” app.

Step 1: Download the “**Skype for Business**” app or the regular “**Skype**” app. You will have to allow Skype access to some features on your phone and accept their terms and conditions.

Step 2: Click the advertised meeting link to join the Skype meeting.

Step 3: When the app opens, click ‘Join as Guest’ and enter your name. Click the blue arrow to continue.

Step 4: The meeting will start with your microphone and video features turned off. As an observer, you can view or listen to the meeting without these features. If you are a meeting participant, you should enable at least the microphone feature. Video is not required, but may be useful. Depending on your role in the meeting, there may be restrictions on whether you can speak during the meeting.

PC/Windows user: If you do not have a Skype for Business (*SfB*) account, it can be downloaded using this link for Windows-based systems: <https://support.microsoft.com/en-us/help/3139711/how-to-install-the-skype-for-business-basic-stand-alone-client>

Choose the English (US) version and the correct operating system type – most are now 64-bit.

With this version, the system may need to be restarted after installation to properly work.

Follow the meeting link and prompts to join the meeting.
